To whom it may concern

Dear Sirs,
Re' Letter of Recommendation

I recently had the pleasure of working with Jodan Construction (Pty) Ltd on an office block development in Kempton Park, Johannesburg. I was the Project Manager, representing the Employer and Jodan Construction carried out the site works, namely demolition of existing structures, site clearance and bulk earthworks.

I found the Company easy to work with, no request was too much trouble and was attended to promptly. Jodan Construction put the project's interests first and foremost. The Company strived to have a satisfied and happy client at the end of the day, which in this instance they most certainly achieved. I look forward to the day we work together again.

Based on my experience, I have no hesitation in recommending the services of Jodan Construction (Pty) Ltd to any prospective client.

Yours faithfully

Tom Earley PrQS;PMAQS
